

LA PALMA DIVING CENTER

Terms and Conditions

Prerequisites for diving

a) diving: For all diving activities, you need a license, a current medical statement and an insurance that covers diving accidents and the treatment in a decompression chamber. If you do not hold an insurance, you should contract it with us for the time of your stay.

b) Try Dives: For a dive in the ocean, you should be able to swim and be healthy. Before starting, you will be asked to fill out a medical statement, and in case if there are any doubts have to visit a doctor before getting into the water.

Schedules and Dive Sites

When you book your activity, we agree on a date and a time. The diver has arrive in the divecenter at the time we agreed, or call one day before until 6 pm to change the date.

The divecenter will conduct the activity with you, but has the right to change the dive site if weather conditions will require it.

Cancelations

The diver can cancel the activity until 6 pm of the day before without any costs. For the Bussard Tours, we charge a 50€ cancellation fee. If the diver does not show up, the full price will be charged. If you cannot complete a dive for health reasons (e.g. having ear problems), a maximum of 50% will be charged.

Liability for rental equipment and equipment stored in the divecenter

The diver agrees on taking care for the equipment he rented. In case of equipment loss or damage, we will charge the current replacement value. The diver is not responsible for damages due to normal use.

The divecenter is not responsible for personal equipment stored in the center.

Independent diving

If you dive without a guide, you are obligated to adhere to the regional diving law. The center is not responsible for any problem or damage resulting from an unguided dive.

Rules for diving

Every diver is obligated to respect the limits set by his training and experience. The maximum allowed depth is 40m. Decompression dives are not allowed. Every diver should maintain neutral buoyancy throughout the whole dive, as his personal abilities allow it, and avoid any contact with animals, plants and stones. Every diver has to follow the instructions of the guide.
